

THE KENYA NATIONAL EXAMINATIONS COUNCIL

KENYA EARLY YEARS ASSESSMENT

Grade 3 – 2026

MATHEMATICAL ACTIVITIES FOR LEARNERS WITH VISUAL IMPAIRMENT

Name

Assessment Number.....

School Name.....

The grid below is to be filled by the teacher after assessing the learner's work

Strand	Sub-strands	Question Number	Score	Performance Level
Numbers	Whole numbers, Addition and Multiplication	1, 2, 3, 4, 5, 6, 7, 8, 9, 10		
	Subtraction, Division and Fractions	11, 12, 13, 14, 15, 25		
Measurement	Mass and Capacity	16, 17		
	Length, Time and Money	18, 19, 20, 21, 22		
Geometry	Shapes, Position and direction	23, 24		

This paper has 7 printed pages

Answer ALL the questions

1. A teacher wrote the following word.

PROGRESS

The letter **P** is in the 1st position. The letter **G** is in the _____ position.

2. The doors of rooms in a building had numbers that formed the pattern,

411 413 415 417 _____

What is the number on the next door?

3. Rono received this message from her bank.

Your savings account balance is sh 548
--

What is the place value of digit 5 in the number

4. A carton has 24 packets of milk. Write this number in words.

5. Learners played a game of stepping, jumping and adding numbers. John stepped on number 2, number 5 and number 7.

What is the sum of the numbers John stepped on?

6. Add

$$\begin{array}{r} 274 \\ + 653 \\ \hline \\ \hline \end{array}$$

7. A *fundi* had used 325 iron sheets to cover a roof of a building. He added 53 iron sheets to complete the roof. How many iron sheets were used?

8. A company gave 435 calendars to the customers. It also gave 440 calendars to the workers. How many calendars were given altogether?
